### Rosenhof Breakfast Run

Saturday 16 February we had Breakfast at Rosenhof Country Lodge.  
Richard Lewis arranged the trip for us.

The peace and quietness was noticeable in the rural area and everybody enjoyed the morning.

Four Chrysler Products in front of Rosenhof Country Lodge.

Four generations of Chrysler Products!

Richard Lewis' Jaguar Mk2 and Kobus Nel's Volvo 123 guarded the entrance!

Breakfast was served!!

Richard also gave us some history about Paul Roux and explained where the name came from as well as a glance at future projects they are busy with.
